HOLLY DAY

ANGLING FOR TRUE LOVE

I'll fish all day and use the catch to prepare us a gourmet meal by candlelight that evening. Prefer denim over designer dresses, but my sister Ivy says I shine in both.

Green is my favorite color. I'm outgoing, truthful and always up for a friendly competition. Once you get past what's been called my "prickly" side, you'll find I'm kind, fun, and will always have your back, no matter what. I might also have your pickup truck, but that's another story.

Past boyfriends have described me as the girl next door. Am tired of being in the friend zone and am looking for my one true love—no more silent nights.

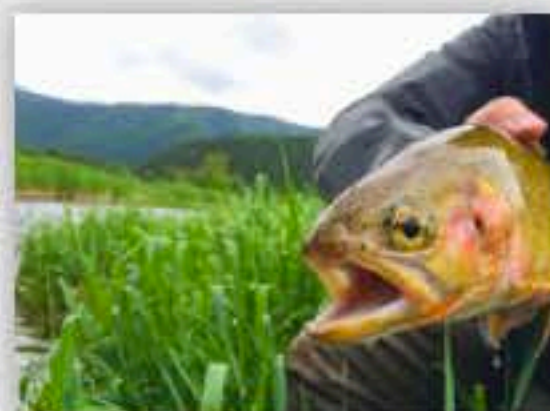

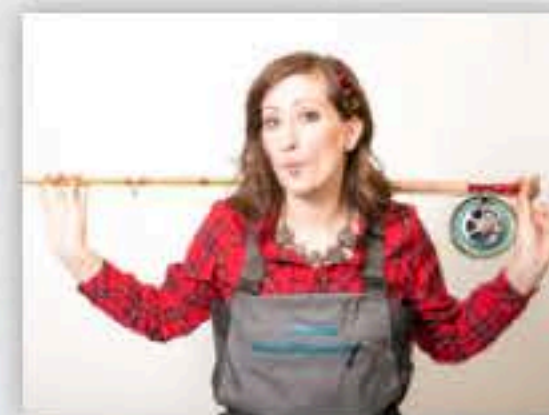

My heart and my fishing tackle are ready. Yours?

~Holly
