LexisNexis

Leading publisher of state codes and major source of legal reference works

The LexisNexis collection of practice area titles and code publications delivers key topical content to legal professionals.

The trusted provider of codes in more than 30 states, LexisNexis understands what is needed in an annotated code to provide you with the core relevant cases and law in your research. To simplify your research we examine cases for relevancy that meaningfully interpret, apply and construe the specific statute for the code. Our statutory and administrative codes are annotated by lawyer-editors who work in close cooperation with state authorities to ensure the accuracy and currency of the code, to provide meaningful research, content and to clarify unclear or ambiguous language. Our code offerings cover the following states:

Turn to LexisNexis for superior, court-cited Matthew Bender treatises that can give you a huge competitive advantage in most practice areas. Rely on this authoritative content to quickly ramp up on unfamiliar areas of law, gain new ideas and confirm answers, especially when confronted by complex or unresolved points of law. Practice areas include:

Arbitration Law	Family Law	Labor & Employment
Banking Law	Federal Litigation	Litigation Practice
Bankruptcy Law	General Practice	Mealey's Litigation Reports
Commercial Law	Healthcare Law	Personal Injury & Tort Law
Corporate Law	Immigration Law	Real Estate Law
Criminal Law	Insurance Law	Securities Law
Elder Law	Intellectual Property Law	Tax Law
Energy & Environmental Law	International Business & Trade Law	Workers' Compensation Law
Estate Planning and Probate		

Matthew Bender treatises are the cornerstone of the LexisNexis print offerings. Cited by courts more often than any other publisher, Matthew Bender treatises offer deep-dive analysis to practitioners and legal professionals. Include Mealey Publications, forms products, practice guides in the mix, and you have a wide variety of national and jurisdictional products. With the comprehensive collection of annual statutory and administrative codes, as well as court rules, court report publications, and custom publishing materials, LexisNexis delivers the highest quality publications on the market—with annotations, case summaries and headlines written by skilled attorney-editors to ensure accuracy.

Written by experts to give you the right research

from LexisNexis® Matthew Bender®

An uncharted issue comes across your desk. Rather than relying on the Web, turn to expert-authored sources from LexisNexis®.

There's a way you can save countless hours on research and be confident you're providing the most effective legal representation. How? The expert resources from LexisNexis® Matthew Bender®. Because unlike the confusing (and often endless) volumes of clutter you get with search engines, expert sources compile the exact legal expertise you need, quickly, easily, and effectively. So instead of trying to sort through endless pages that mostly lead to nowhere, you'll be looking at an easy-to-read table of contents that takes you directly to the comprehensive analysis of the issues you're researching.

What Are Expert Sources?

Analytical Treatises
Deep-dive analysis of the law pertaining to specific practice areas or jurisdictions, written by the most trusted names in their fields. Updated about three times a year to assure you of the most recent cases, statutes and emerging issues.

Practice Guides
The LexisNexis® AnswerGuide™ and Matthew Bender® Practice Guide give you step-by-step guidance through a litigation matter or a business transaction, with expert tips on checklists, strategic points, warnings, exceptions, traps, timing issues and prerequisites.

Forms Collections
Create critical litigation and transactional forms in a fraction of the time it would take to create them from scratch, and get tips to ensure they're completed correctly.

Why Incorporate Expert Sources into Your Legal Research?

When looking for ideas on crafting counter arguments, preparing materials on emerging issues, or researching an issue on which you have little or no experience, you might turn to the open Web. Most of the time will be wasted time, sifting through irrelevant or dubious information.

Expert sources save time and money and give you confidence—especially when they're written by leading authorities in their areas of law and are frequently cited by the courts. And that's exactly what you get with expert sources from LexisNexis Matthew Bender.

- Top 10 reasons to use expert secondary sources from Matthew Bender**
1. Key cases and statutory sections are highlighted.
 2. Helps you expand your practice and gain new insight.
 3. Find something fast with the table of contents, index or other organizational tools.
 4. Assurance knowing the source you use is correct.
 5. Helps you craft a new argument or a new method of proceeding.
 6. Detailed explanations.
 7. Assists new associates with context and background.
 8. Provides an understanding of underlying policy reasons.
 9. Extra features like hypothetical problems and checklists.
 10. Explains how code-based law is connected.

How to jump-start legal research using expert sources in print

Gain in-depth understanding of an issue with expert analysis.

Browse the Table of Contents to find your topic in context.

See other topics listed immediately above or below your topic. That may be even more relevant to your question.

Need in-depth analysis to become familiar with your research topic, discover new ideas or potential counter-arguments to your position, and confirm answers—especially when confronted by complex or unresolved points of law?

Get citations to leading cases, statutes and regulations that you can then Shepardize® online to ensure they are still good law.

Understand the underlying policy reasons for the enactment of federal and state rules and regulations.

More readily understand case-based law through expert reconciliations of multiple sections of the same code or related codes and the cases that interpret them.

Quickly find references to terms or topics you can't locate in the table of contents using expert-drafted indexes.

Browse the Table of Contents of a forms collection to locate current, practice-proven forms you can use to draft litigation filings or transactional agreements.

Get expert, clause-by-clause commentary on when and how to use each form.

Acquire concise, how-to procedural guidance.

Browse the Table of Contents of a practitioner to get step-by-step guidance on procedural matters.

Use the checklists that guide you through complex procedures and help ensure you don't miss any critical steps.

Find tips, warnings and other practical advice for dealing with situations you're likely to encounter in practice.

More readily understand important points by reading real-life examples with citations throughout the text.

Get timing indicators to make sure you don't miss critical deadlines.

Download and share literature right from our site!

For added convenience, you can download this Print Expert Sources guide from our Resource Center. Just go to lexisnexis.com/lexbooks. It's that easy!

Our 30-Day Guarantee to You

LexisNexis is committed to providing you with the best possible customer experience. Your total satisfaction is extremely important to us. If, for any reason, you need to cancel your subscription, call Customer Support at 800.833.9844, e-mail us at customer.support@lexisnexis.com, or simply return an invoice or notification marked "CANCEL." Products may be returned within 30 days of receipt for full credit of the advertised price, less shipping and handling fees and any other discount credits.

If you cancel a Service Title between 31 and 60 days after the invoice date and ship it back to us, you'll receive a 50% credit of the price for the annual subscription.

If you return a Non-Service Title at your expense within 30 days of shipment, you will receive full credit for the purchase price. No credit will be given for returns more than 30 days after shipment.

We regret that we cannot offer credit for items returned more than 60 days after the invoice date.

Discounts

Volume discounts may be available with the multi-title purchases. Contact customer support for further details.

Monthly Statements and Invoices

Aside from your invoice, which you will receive together with your shipment, you will also receive a monthly statement from us. This shows any unpaid balance on your account as well as any purchases, payments, or credits applied to your account during the last month.

No-Risk Trial Examination

All our titles are available for a 30-day trial examination to established customers. At the end of that period, customers may either keep the shipment and send payment, or return it with no further obligation. Other products will be sent with the same return privileges.

Out-of-Date Publications

If you have any publications that are out of date, we will be happy to provide you with the cost to reinitiate your subscription(s).

Payment

We accept payment by credit card (VISA, MasterCard, American Express, Discover), check, money order or bank wire transfer.

Checks

When making payments, please state your account name and number to properly allow us to credit your account. You are billed in U.S. dollars, and we request that you remit in U.S. currency with a check drawn on a U.S. bank. We reserve the right to assess our customers with collection charges for all other types of drafts.

Returns

When returning material, please include a copy of the invoice and packing slip with the shipment. We reserve the right to refuse material returned later than 60 days after the date of invoice. Return postage is the customer's responsibility. For faster processing, you may return publications directly to our distribution center using the following address:

LexisNexis Matthew Bender
Distribution Center
Broome Corp. Park
RR 2 Box 39-H
Conklin, New York 13748-5802

Subscriptions

Publications include 12 months of updating service, unless otherwise noted. A subscription is entered for each title you purchase. New material for the subscription is sent by one of two methods:

1. Shipped and billed when purchased. The material is sent to you as soon as it is published with the bill posted on your account at the same time.
2. Titles that are serviced frequently and on a regular schedule are billed in advance for a specific period, much like a magazine subscription. After the initial subscription period, notices for renewal will be clearly marked as such.
