DEVILS HEAD RED ALE

Devils Head Ale, the name from the highest
tower atop Devils Head provides the backbone
of color. It's back like nothing else in the
Brewery Range that should be better opening
head than for every a century

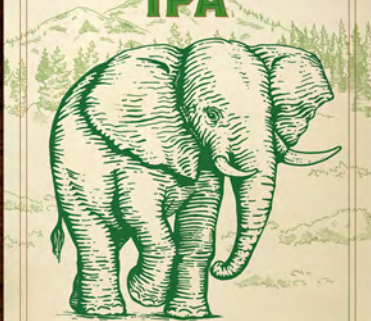

This fiery red ale is influenced by three
major ranges: brewing folk, our of design,
A School of Brewing, Distillation and Fermentation
provides a variety of styles of natural water
and hops. It's a vibrant red you can't miss.
